One New Park—What You Can Do To Bring It Into Being
Elmer Jordan, Editor

1. Think about it. 2. Tell your friends about it. 3. Tell your aldermen and our mayor in a letter that you want it. 4. Tell them you want it now. 5. Tell Mr. Peter Mortensen in a letter that you want it. 6. Tell the West Englewood Business Men's Association that you want it and ask them to appoint a committee to wait upon the South Park Commissioners. 7. Tell John Bain, one of the commissioners, that you want it. 8. Tell the Tribune, the News and the Herald-Examiner in a letter that you want it. 9. Tell the Merchants Telegram in a letter and we will publish it. 10. Tell the world you want it.

We want everybody, old and young, to boost for a new park from Robey St. to the Penn. R. R. and from 59th to 63rd Sts. and boost for it while we are living, not after we are dead and gone. We want all you pupils of the Earle, St. Theodore's and the Harper School, also all the students at the Lindbloom High School to take part in this letter writing contest. We believe the children need this park more than any one else and it is for their sake we should become very active in getting immediate action.

SERVICE

Prayer of the Bazook Booster

Dear Lord, help us to make this park to become a reality, for the sake of the children of our neighborhood and their children's children. Help us to make West Englewood a better place to live in. Help us to love one another and to be men and women in the fullest sense at all times.

Bazook Booster

John Klinck is a mighty nice man and most all of us enjoy his company very much. The very fact that he is associated with Francis Kibort makes us all look kindly upon that firm. We wish them a great year.

Take a run out to 63rd St. and Western Ave. and see the model home now being built for Elmer Jordan & Company. It is a wonder, all white tile brick, exterior walls front and rear. Somebody must be figuring on doing a big business when they build a home of such character and beauty as this.

Wm. T. Fleming has listed his bungalow for sale with Jordan & Co.

John A. Julien is completing a nice bungalow.

Be sure to vote for our neighbor and friend, Leonard C. Reid, for ward committeeman of the 29th ward. He deserves our favor and is sure to fill that office with energy and efficiency. We wish him success.

Peter Baum advises business men to buy now at 63rd St. and Western Ave.

Otto Ayers says it pays to advertise.

J. DeKoker feels that his front page ad is a good investment, although it costs a little more to be on the front page.

Mr. Elmore of John Bain & Co., subdivision department, of 6237 S. Ashland Ave., feels confident that 1920 will see his firm take its place among the leaders as subdivision experts, and especially as developers of real home subdivisions.

Draper & Kramer of 25 N. Dearborn St. want two young men to work for them in the real estate business.

Did you notice the White Dry Goods Store's large page ad last week? They sure have the bargains and attractive offers.

Have you noticed how reasonable the prices are at the Sycamore Coffee stores? Patronize our advertisers. It pays in savings.

Did you see the West Englewood-Ashland State Bank statement last week? Deposits of $2,359,636.62, which is about four times the total deposits in 1912. We should be proud to have such a strong institution.

I am coming in to see Ballin for a suit of clothes. I see he is overstocked and is offering us some fine suits and overcoats reasonable. That is a good way to win our hearts and reduce H. C. L.

Good meats at union markets may be obtained at the New Packing House and the Union Market, both at 63rd and Wood Sts.

Hugo Illing has all the paints and materials for your spring cleaning. Decorate your property now and sell it March 1st.

The Southwest Coal and Material Co. are steady advertisers in our paper and have on hand plenty of sand, stone, cement, coke, wood and coal. We are glad to number them among our clients.

Eichler & Son are again advertising steady and you know Eichler; he has real bargains all the time.

When you want a good pair of shoes try the United Shoe Market Co., 6306 S. Ashland Ave., 2nd floor. They mean to show you a square deal all the time.

Moran Dry Goods Co. are holding their January sales now and their display of hosiery cannot be beat. Try and see.

Goldstein Furniture Co. are holding a clearance sale. We are glad to see them advertise because it pays both parties, the buyer as well as the seller. Prices are certainly reasonable. Come and see for yourself.

Joseph Roth's advertising principles are attracting attention. They are well written and show good logic. Call and see Joe. He wants to see us all. He wants us all to be well dressed.

If you want to build, be sure and call on G. F. McConnell, 6416 S. Laflin Street.

Mr. and Mrs. Ralph Ashley of 1713 W. 65th St. are the proud parents of a 9 pound boy who arrived New Years day. His life is already insured in the Metropolitan by his father.

The ceiling joists of the third floor of Jordan & Co.'s new building were put on last Saturday, the structure now being up three stories. All of the junior mortgage notes have been sold except two of $500 each which will fall due in two years. You can buy them at the office direct over the counter. Each note certified by Chicago Title & Trust Co., Trustees.

The best time to buy real estate is now before the spring rush. Bazooks should act!

"Good Work"

"Mike" Doyle

Probably no business man is better known in our community than Michael Doyle (Boss Printer), 1544 W. 63rd St., a partner in the well known printing firm of Ayers & Doyle. Mike was born and raised right here in West Englewood, then known as Old South Lynn, at the corner of 67th St. and Hamilton Ave., some fifty years ago. He has been a hard worker all his life at the printing trade, having followed it since childhood, being taught the business under such well known firms as Couzzins & Beaton and Kenfield-Leach & Co. He and his good wife are the proud parents of a large and happy family of twelve children in all, six of whom are stilling living, all boys, two of the older sons having served Uncle Sam in our late war. Two of the sons are following in their father's footsteps in the printing trade, being in his employ. Mr. Doyle is a thorough baseball fan, having once organized the well known baseball club of "The Doyles," nine relatives in number.

He is past president of the A. O. H., Div. 41, president of Holy Name Society of St. Justin's church, located at 71st and Honore Sts., and is originator of the idea that caused St. Elizabeth Council of Foresters to furnish a complete ward at the St. Bernard's Hospital, 64th St. and Harvard Ave.

In conclusion we will say he is one of our best and worthy citizens, a home owner, resides at 1653 W. Marquette Rd., father of a most excellent family, of which he is very proud, always happy, has friends everywhere, always has a pleasant smile on his face and a good word for everybody—that's why they call him "Smiling Mike" Doyle.

Selling a Used Car Means As Much to Us As the Sale of a New Car With Three Times the Amount of Value

Overland

A satisfied used car buyer means a prospective new car purchaser. That is the reason why our used cars are sold rebuilt and repainted. It means less trouble to both. A used car bought of the N. & N. Motor Sales Co., is an exchanged car, not a bought-up one and camouflaged with a coat of paint—merely a car that someone exchanged for no other reason than perhaps a few details on a later model the purchaser may like a little better. Come in and see our wonderful stock of these cars; place your order for future delivery now; a little later cars will be higher as new cars of all makes are advancing in price and delivery on such is not what we would like it to be. Naturally this has a bearing on good used cars. Buy now. Save money and you'll have a car when the sun shines.

Buy Good Furniture

The good endures. It is cheaper to buy good things.

Take a MERSMAN LIBRARY TABLE as an example.

Its goodness consists of the excellent woods of which it is made, the thorough manner in which it is constructed, the permanence and beauty of finish, the artistry of its lines.

Such a table costs but little more than a commonplace table.

It is worth infinitely more.

May we have the pleasure of showing you?
